

Device Contamination Certificate

Dear customer,

To enable us to comply with German law (e.g. § 28 StrlSchV, § 17 GefStoffV and § 19 ChemG) and to avoid exposure to hazardous materials during handling or repair, please complete this form prior to consignment of the device.

Please return this form to us together with the device by attaching the certificate well visible outside the packaging. Devices without this certificate must be returned to sender.

Thank you very much – Your LTF team
